FUN MOBILITY

funmobility.com

Coupon Slider

Browse & Clip Multiple Offers with a Simple Swipe.

Slide to Reveal More Coupons

Instantly engage your customers across multiple offers with Coupon Slider. Optional bar codes make redemption of multiple coupons a breeze. You can also show fliers, links to videos, and just about anything else you like.

You can then learn and understand exactly what your customers are interested in, giving you the opportunity to send better choices for the benefit of your customers.
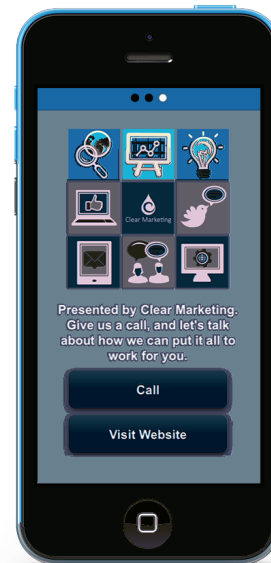

PROMOTE MULTIPLE MOBILE OFFERS

Mobile Promo Slider displays multiple coupons or promotions in an engaging way.

LEARN WHAT MOBILE OFFERS WORK

Mobile Promo Slider provides detailed analytics on your customers preferences.

SWIPE & TAP REDEMPTION

It's easy to use. Customers can make quick and easy selections of the coupons they prefer with a simple swipe, and tap to redeem the best option for them.

MOBILE LEAD FORM FIELDS

From contact us, to webinar registration, to gated content, our Smart Form SmartWidget is mobile optimized to help you turbo-charge your conversion goals.

PROMOTIONS

Tap-To-Call

One-Tap Calling Buttons Provide Quick Response to Mobile Offers

With the FunMobility Tap-to-Call SmartWidget, you provide customers a way to respond to alerts, and offers with the option of calling a location or sales associate with a single tap. Provide a simple 'tap-to-call' option to direct users to stores, sales people or call centers. Present alerts that link to an app, or URL, or present limited special offers.

Ensuring that clickable phone numbers appear in local results and leveraging location based services on mobile make it easy for consumers to connect directly with businesses.

CUSTOMIZED

Tap-To-Call can be completely customized with your brand logo, colors, and layout.

CROSS-PLATFORM COMPATIBLE

Tap-To-Call is flexible HTML5 object that can be embedded in SMS, email or a mobile app.
